**Eric Dolden - Vancouver****E-mail:** [edolden@dolden.com](mailto:edolden@dolden.com)

From our family at Dolden Wallace Folick, I would like to wish you and your family a Merry Christmas, Happy Holidays and a healthy, prosperous and Happy New Year.

To our clients, we greatly appreciate the continued and overwhelming support that we received from you in 2018. We greatly value our relationships with you and we will continue to strive to provide the highest quality professional legal service possible. We look forward to your ongoing support in 2019.

Our Firm continues to grow and we have added new enthusiastic lawyers across all of our offices to service the needs of our clients.

In 2018, our lawyers gave numerous client presentations and "lunch and learns" in all areas of our Firm's practice, including on professional liability, directors' and officers' liability, cyber risk liability, hospitality-liquor liability, sports and recreational liability, fiduciary liability and on coverage issues.

With the legalization of cannabis, our Firm was at the forefront on presenting on the affects of cannabis in the workplace.

We view these client presentations as an excellent opportunity for our lawyers to showcase their abilities, and for us to connect with individuals interested in these areas.
